HELP MAKE THE MAGIC HAPPEN

Sponsor a 2024-2025 Show
and/or Donate Now

The Theatre Department at Alexander W. Dreyfoos School of the Arts produces three major shows and several showcases each year. These productions are truly amazing but tend to be costly because of license fees, elaborate sets, intricate costumes, detailed props, specialized technical equipment, and other items needed to make the shows outstanding. District funds and other funding sources fall short of what is actually needed each year.

We are asking for your support to ensure that the Theatre Department has the necessary funding for another magical year. Please see the back of this page for some of the ways you can help.
